# CAPABILITY STATEMENT

## Overview

AJQ is a leading provider of Business & IT Services delivering a comprehensive range of specialist services to the Banking, Financial Services, Corporate, Government and the Education sector throughout Australia & Singapore.

We work with your organisation to accelerate delivery capability and enhance skills in your teams by providing specialist knowledge, tools and expertise when and where it is most needed.

### **Our services include:**

- IT Professional Services including Consulting and Project Delivery
- Software Testing across all testing phases
- Supply of onsite Business Analysts and Subject Matter Experts (SME's)
- Automation across Development, Testing and Production as well as RPA for process automation
- IT Specialist Recruitment Services
- Training

Services can be carried out either on-site or off-site depending on the type of service and engagement required. The delivery is fully backed by client references from some of the most trusted Institutions and listed companies operating today.

---

# CAPABILITY STATEMENT
